			PhD date

ATTACHED DOCUMENTATION
Mark the corresponding boxes with an X: ☐ Scanned copy of valid National Identity Document/Resident Card or Passport. ☐ Curriculum Vitae (use DiabetesCERO template). ☐ Scanned copy of the Doctoral Degree or official academic record showing the degree obtained. ☐ Letter signed by the Head of the Centre in which the research will be carried out, accepting to host its development in case of obtaining the grant. ☐ History of the research group in which the researcher is part of the last 5 years with explicit mention of current projects related to the proposed research work.

The documentation must be submitted in English. The Project Report must be written in English. When the original documents (Identity and/or Academic Degree) are issued in a language other than English or Spanish, it is necessary to attach a translation to English.

The deadline for submitting applications is 31th August 2026.

I request that my application be accepted to participate in the call for funding on Type 1 Diabetes: “Frontiers in T1D Cure: Advanced Grants for Leading Researchers – 2026”, granted by the DiabetesCERO Foundation, in accordance with the rules published on the Foundation’s website.

The work I am submitting meets the requirements to be eligible for:

“Frontiers in T1D Cure: Advanced Grants for Leading Researchers – 2026”

Place, date and signature of the applicant.

- The duly signed and scanned application must be sent by email to the Foundation’s address: convocatorias@diabetescero.org, attaching the remaining scanned documentation in attached files.
- The resolution is expected to take place at beginning of November 2026.
- The result will be made public through the Foundation’s website: <https://diabetescero.org> and will be notified by email individually to each participant.
- The award will be made within the same year.

DATA PROTECTION

In accordance with the provisions of the Regulation on the Protection of Personal Data 2016/679/EU, of April 27, we inform you that your personal data will become part of the file called “Researchers and Participants in competitions organized by the Fundación DiabetesCERO” which has the following characteristics:

Data controller

Fundación DiabetesCERO, CIF: G90329707, Avda. del Genil, nº 15, 1º izquierda, 41400 Écija SEVILLA Spain.
Email: info@diabetescero.org.

Purpose of the processing and period of data conservation

To manage your participation in this grant program, as well as to provide you with information to participate in successive editions of grant calls.

Your data will be kept until you request the cancellation. Without prejudice to compliance with legal obligations.

Legitimation

The legal basis for processing your data is: (i) your acceptance of the terms and conditions of the funding call to participate in the indicated grant program; (ii) our legitimate interest in communicating information regarding participation in future funding calls; and (iii) your consent to receive information about our services and for the use of your image.

Recipients

The data of the participants and winners of the funding call may be transferred/communicated to the following recipients:

- a) Public Administrations and Bodies when required by applicable legal regulations;
- b) Personnel related to the processing of data that provide services to the Foundation; and
- c) Members of the jury who must assess the merits of the participants.

Rights that assist you

Access, rectification, deletion, limitation of processing, portability of data and opposition to the file.

You can exercise your rights by writing to the person responsible for the treatment using the contact specified in the first section, indicating that it is an "EXERCISE OF DATA PROTECTION RIGHTS".

We also inform you that if you consider that your rights have been violated, you have the right to file a claim with the Spanish Data Protection Agency.

I have read and accept the terms and conditions.

Failure to accept the terms and conditions of data protection will result in non-admission to participate in the call.

Information on services and image use

In order to use, disseminate and publicize the name and image of the grant winner, by the means that the entity deems appropriate (paper, digital, web, video, communications in general, etc.), solely for the purpose of carrying out institutional, promotional and corporate activities, we request your express consent:

- I ACCEPT
- I DO NOT ACCEPT
